Dear customer,
In response to REACH and the potential presence of Substances of Very High Concern (SVHC) including Restrictions of Hazardous Substance (RoHS).

The intent of this letter is to clarify how B&B Specialties, Inc. / GS Aerospace products are affected by the REACH “Restricted Substance List” and RoHS “Restrictions of Hazardous Substance”. At present and as reported by our supply chain we do not expect or anticipate any Hazardous Substance of Very High Concern in a concentration above 0.1% weight by weight (w/w) to be in our products or packaging supplied by B&B Specialties, Inc. / GS Aerospace.

This information is based on our current level of knowledge and availability of information. This information expresses only our intention. It does not constitute a binding obligation. The information is provided in good faith, no representation warranties are made regarding its completeness or accuracy and no liability will be accepted for damages of any nature whatsoever resulting from the use of our reliance on the information.
